The pedagogical approach at the University is premised on the fact that teaching-learning process of current times must reflect the changing educational, technological, professional and societal needs and aspirations. Taking this approach into its strides, the Doon University has made a radical shift from the traditional forms of only classroom-based, teacher-centric and rote-learning to a more holistic approach to acquiring knowledge and skills using a state-of-art technology in sync with the emerging trends and needs of the 'Global Village' while keeping intact the spirit of "Think Global, Act Local". This pedagogical orientation is vividly expressed in Doon University curriculum which has four key elements, viz., Active Learning, Learning beyond the Classroom, Education for Profession and Career Skills. The whole pedagogy is taught-centric and technology driven with an emphasis on interactive and participatory learning.

The guiding vision of the University is encapsulated in its strategic positioning as deciphered in its vision and mission as below:

Vision: "To emerge as a Centre of Excellence in the chosen areas of studies and to carry out research for the advancement and dissemination of knowledge. The University shall be benchmarked with the best in the country and globally."

The University will be known for following:

- (i) Student and learning-to-learn centered pedagogy supported by a community of eminent teaching faculty and research scholars
- (ii) Leadership through collaborative educational ventures, and
- (iii) value-based learning.

Mission: Following is the Mission of the University:

- (i) Offer state-of-the-art educational programmes in cutting-edge disciplines of regional, national and international relevance
- (ii) Conduct high quality and multi-disciplinary research to push the boundaries of knowledge in the chosen areas and
- (iii) Provide a challenging and conducive environment for scholar-researchers to engage in pursuit of excellence.

In line with the above vision mission, the University has developed the following distinctive characteristic features over the years:

- (i) Responsive to the requirements of society and twinning arrangements with leading universities/institutions in teaching and research
